

Investment opportunities in Iberia: tax advantages and landing planning in Spain and Portugal

Date and time:

Wednesday, June 9
18:00h CEST

The flow of investment in Iberia continues to rise and recently it has become a destination for high net worth individuals. The Spanish and Portugal market offers significant opportunities that make both countries a priority option among capital destinations thanks to the tax advantages and special regimes both for individuals and their investment vehicles or holding entities developed in these countries.

With the aim of analyzing the opportunities and incentives offered by each country, Andersen invites you to the next webinar that will be held on Wednesday, June 9 at 6:00 p.m. CEST, in which all the tax aspects of necessary consideration will be addressed when carrying out an investment in order to avoid risks and maximize profits.
